## The Annual *Christmas Joy* Brings Smiles and Laughter to the Ridgecrest Community

Children and parents alike were amazed at this year's *Christmas Joy* as they received gifts and toys to brighten their holiday season. Miracle Deliverance Temple of Christ participates in the Toys for Tots program each year as a part of a community outreach to the people of Ridgecrest and all around Montgomery. They not only receive gifts but they also get to take part in a worship service where the Gospel is preached and an invitation to accept Jesus Christ as Savior and Lord is given. A meal is served at the end of the day and church members get to mix and mingle with the crowd to meet new friends. Overall, it's just plain ol' good fun!

## 2018 The Year of Restored Hope

The Lord used all five ministers on New Year Eve to speak a message about what we are to anticipate in 2018. Elder Eddie Sanford ministered on how God is doing a new thing in the new year and that we are not to dwell on past successes but to look forward, believing that the best is yet to come. Elder Linda Hunter gave a word that if we remain righteous minded and work in unity, God will cause His blessings to come upon us in abundance and overtake us. After that, Minister Roshonda Gaddis said it is time to clear the clutter. It is important for us to remove distractions and idolatry from our lives as we allow The Lord to sanctify us. Next, Elder Susan Manora said it is necessary for God to take us, brake us and cause a new birth to come forth. With the new birth comes the light of Jesus Christ shining through us to guide the lost to know the Lord. Lastly, Pastor Motley reminded listeners that God restored confidence in Himself in 2017 and that He will continue a work of restoration in 2018 as He uses His people to usher in restored hope for a world in chaos, confusion and darkness.
